The screenshot shows the DSS Visitor Management interface. At the top, there are navigation tabs for Access Management, Event Center, License, and Event. Below this, a summary dashboard displays several key metrics: Total (3), Appointment to be Approved (0), Pre-booked Appointment (0), On Visit (3), and Overstayed (0). A time filter is set to 'Unlimited'. A red notification banner indicates an email server configuration issue. Below the notification, there are buttons for Visitor Registration, Visitor Appointment, Export, and Refresh. A search bar is available for filtering by host name or organization. The main part of the interface is a table with the following columns: Visitor Name, Email Address, Host Name, Appointment..., Visit Time, Appointment Le..., Status, and Operation. The table contains three entries: Dahua (Vase meno), TSS, and Oscadnica, all with a status of 'On Visit'.

Visitor Name	Email Address	Host Name	Appointment...	Visit Time	Appointment Le...	Status	Operation

The screenshot displays the DSS DeepXplore interface. The top navigation bar includes 'DSS', 'DeepXplore', 'Monitoring Center 1', 'Visitor', 'Access Management', and 'System Parameters'. The main content area is titled 'Integrated Retrieval 1' and features a 'Records' tab. On the left, there are search filters: 'Multiple' (selected) and 'Single' buttons; 'Select Channels' set to 'Unlimited'; 'Time' range from '10-02 00:00:00 - 10-02 23:59:59' with 'Today', 'Last 7 Days', and 'Last 31 Days' options; and 'Record Type' with checkboxes for 'Select All', 'Metadata Records' (Face Snapshot, Body Capture, Motor Vehicle Snapshot, Non-Motor Vehicle Capture), 'File Records' (MPT Records), and 'Other Records'. A 'Search' button is at the bottom of the filter panel. The right side shows a table of records under the 'Body Capture' tab, with columns for 'Image', 'Channel Name', 'Capture Time', 'Gender', and 'Operation'. The table contains six rows of records from a 'Pharmacy' channel, all dated '2024-10-02 16:5...'. Each row includes a thumbnail image and icons for viewing, refreshing, favoriting, and deleting. A pagination bar at the bottom right shows '1' selected out of 20 pages.
